FOR IMMEDIATE RELEASE

"TIME IN" ART EXHIBIT AND WORKSHOP AT THE LIBRARY

(Panama City, FL) Make time for the Bay County Public Library's art exhibit on display from October 1-27, 2016. Tammy Marinuzzi & Chandra DeBuse's collaborative exhibit, "Time In", features a series of works on paper, in clay and on canvas inspired by the artists' sketchbook collaborations.

Because both artists primarily work in clay, using the format of the sketchbook provides a freedom to experiment and play. "Drawing yields quicker results than clay typically offers, leading to faster responses in the collaborative process," states DeBuse.

On Saturday, October 22nd, Tammy Marinuzzi will lead a Library Art Tour of the works at 2 p.m. in the lobby. After the tour, Marinuzzi will teach a Sketchbook Workshop covering how to make art collaboratively with others using your sketchbooks as a springboard and expanding your personal creative process. The workshop will be held in the Library Meeting Room. Making materials will be provided. Bring your sketchbook and favorite pens/pencils. Both the Library Art Tour and Sketchbook Workshop are free and open to the public.

The Bay County Public Library is located at 898 West 11th Street in Panama City. For more information about this program and others, call (850) 522-2100 or visit www.nwrls.com.
